### Notice of Intent to Issue Funding Opportunity Announcement No. DE-FOA-0002283

The Office of Energy Efficiency and Renewable Energy (EERE) intends to issue a Funding Opportunity Announcement (FOA) entitled “Workforce Development in Emerging Fields.”

EERE intends to announce a funding opportunity to support leading-edge interdisciplinary research that promotes workforce development in emerging fields by supporting a coordinated expansion of existing joint graduate education programs with national laboratories to prepare the next generation of scientists and engineers. Consistent with Congressional guidance, applicants will be restricted to land grant universities. Qualified land grant universities are identified here: <https://nifa.usda.gov/land-grant-colleges-and-universities-partner-website-directory>.

EERE envisions awarding one financial assistance award **with up to \$20,000,000 in funding**.

EERE plans to issue the FOA in **February 2020** via the EERE Exchange website <https://eere-exchange.energy.gov/>. If Applicants wish to receive official notifications and information from EERE regarding this FOA, they should register in EERE Exchange.
