

What is a Teaming Partner List?

A teaming partner list may be used to facilitate the formation of new project teams for a funding opportunity announcement (FOA). The list allows organizations to express their interest and to explore potential partnerships, including representation from Minority Serving Institutions (e.g., Historically Black Colleges and Universities (HBCUs)/Other Minority Serving Institutions); and partnerships with Minority Business Enterprises, Minority Owned Businesses, Woman Owned Businesses, Veteran Owned Businesses, or tribal nations.

How do I add myself to a Teaming Partner List?

From the EERE Funding Opportunity Exchange [homepage](#), click **Teaming Partners** in the left-hand menu. Click the **Submit Entry to Teaming Partner List** button, enter your information, then click **Register**. Please note: Once EERE publishes your entry, everything you entered on the form will be visible to potential partners.
