

DE-FOA-0002587: REGIONAL CLEAN HYDROGEN ANALYSIS NOI - UPDATE

UPDATE: The Office of Energy Efficiency and Renewable Energy's intent to issue a "Regional Clean Hydrogen Analysis" Funding Opportunity Announcement (FOA) has been canceled pending the implementation of the Infrastructure Investment and Jobs Act (P.L. 117-58, November 15, 2021). Section 813 of the Infrastructure Investment and Jobs Act requires the Secretary of Energy to establish a program to support the development of at least 4 regional clean hydrogen hubs and requires DOE to solicit proposals for regional clean hydrogen hubs not later than 180 days after the date of the Act's enactment.

All of the information contained in this Notice is subject to change. EERE will not respond to questions concerning this Notice.
