Is there a way to partner with the labs who can apply to this funding opportunity? Other thoughts for us to connect and develop any partnerships in response to this lab call.

As stated in the lab call under Section B.i. Key Considerations, "Labs partnering with industry, academia or other non-lab entities to perform work under this Lab call must enter into CRADAs with those partners within time parameters set forth by the funding program." It is up to the labs and external partners to
